What is the Windsor Rotary Community Foundation Lobster Feed Celebration?

Every spring, for the benefit of the Windsor Rotary Community Foundation, the Rotary Club of Windsor holds a celebration and fundraising event to cap off our year of community service. This year the theme is “**A Night at the Movies**” and attendees are encouraged to dress up in glitter or as their favorite movie star.

At this event, we hold live and silent auctions, and include other fundraising activities. Hundreds of Rotarians, donors, supporters, and other local people join to partake in a fantastic lobster feed dinner, to party and dance, and to share friendships.

This packet contains information about the Lobster Feed Celebration, and how people and companies in Windsor and the surrounding communities can participate as financial sponsors for our Lobster Feed event.

What is The Rotary Club of Windsor?

The Rotary Club of Windsor is a group of community, business, and professional leaders, and civic-minded residents who get together weekly for breakfast to exchange ideas, have fun, and take action to make our local community and the world a better place.

Windsor Rotary provides charitable support for the greater Windsor Community through the Windsor Rotary Community Foundation. Also, through Rotary International, we participate with people from all continents and cultures to exchange ideas, form friendships, and make a difference in people’s lives around the world. Rotary has led a partnership with the CDC, WHO, the Bill and Gates Foundation, and the governments of most countries in the world to raise more than \$16B towards the eradication of polio worldwide.

On a local level, every year, the Windsor Rotary Community Foundation provides tens of thousands of dollars of support and services to Windsor youth, education, senior citizens and many other worthy causes throughout the greater Windsor area. Our goals are simple: have fun, make a difference, do good works, and make new friends. If these appeal to you, we hope that you'll have breakfast with us on Tuesday morning, and see first-hand what we do. Check us out - we think you'll like what you find.

We take pride in what we do, and how we do it. If you're looking for a way to make a difference locally or around the world, the Rotary Club of Windsor has something for you.
